

# Can a custom locker be converted into a shoe cabinet

Does IKEA have a shoe storage cabinet?

The smaller IKEA shoe storage cabinet has 2 pull-down compartments and a slim drawer just below the top board of the cabinet. The larger HEMNES shoe cabinet offers 4 pull-down sections. What's surprising is despite its slim profile it has 2 rows of shoe shelves per compartment, letting you store lots of shoes in a relatively small space.

How to choose a shoe cabinet?

The slim design means the shoe cabinet can easily be placed in a small hallway and reinforces the tidy overall impression. If you choose it with colored cabinet doors, it will be livened up a bit and won't be as boring as a conventional shoe cabinet. Another good idea for storing shoes in a space-saving way is to attach angled shelves to the wall.

Which IKEA shoe cabinet is best?

While the TRONES shoe cabinet is seen as the multi-functional versatile one, the IKEA HEMNES shoe cabinet is the cream of IKEA shoe storage. The HEMNES features a more traditional design and is made from renewable wood or pine. If you want a cabinet that lasts, the HEMNES is it. And it comes in 2 versions.

Do shoe cabinets have to match?

Shoe cabinets and wardrobes don't always have to match, but can look stylish just because they look different. An old metal locker was simply converted into a shoe cabinet. Not only does it look super stylish, it also serves its purpose more than satisfactorily. You certainly won't find a shoe cabinet like this in anyone else's home anytime soon.

How do you attach a Hemnes shoe cabinet to a wall?

The HEMNES shoe cabinet comes with a horizontal piece at the back of the furniture. Use the long screws provided to secure the shoe cabinet to wall studs. Jules Yap started IKEAHackers.net in 2006 as a personal blog to showcase the most impressive IKEA hacks from all over the world. Since then, she has learned a lot more about power tools and DIY.

Should you put a shoe cabinet inside the wall?

The idea of a shoe cabinet inside the wall is both really cool and crazy. On the one hand, this idea really saves space and at the same time shows off your favorite pieces. You won't find a shoe cabinet like this in any other apartment any time soon. There are also a few great ideas for storing children's shoes.

Simply and stylishly organize up to 36 pairs of shoes with the Space-Saving Shoe Storage Cabinet by Prepac. Fit one cabinet in a narrow entryway or combine multiple pieces from the Space-Saving collection in a large mudroom to create ...

## Can a custom locker be converted into a shoe cabinet
