

Energy storage cabinet series assembly line

What is a cabinet series?

The Cabinet Series for indoor and outdoor C/I energy storage systems help reduce peak energy costs from equipment and operations. Power and capacity range from 30kW/50kWh to 90kW/150kWh. These solutions are modular and expandable to meet larger energy storage requirements.

What is the power and capacity of the container series?

Power and capacity range from 30kW/50kWh to 90kW/150kWh. These solutions are modular and expandable to meet larger energy storage requirements. The Container Series are outdoor containerized energy storage systems for utility grid tie or C/I behind the meter applications.

What is Delta Battery energy storage system (BESS)?

Delta's battery energy storage system (BESS) utilizes LFP battery cells and features high energy density, advanced battery management, multi-level safety protection, and a modular design. Available in both cabinet and container options, it provides a complete and reliable energy solution.

What is a containerized energy storage system?

The Container Series are outdoor containerized energy storage systems for utility grid tie or C/I behind the meter applications. They are available in 10ft, 20ft, and 40ft configurations. Power and capacity range from 150kW/150kWh up to 1.5MW/ 2.2MWh. You can combine multiple units for even more capacity.

Who is Delta energy storage?

Delta is a leading one-stop provider of energy storage solutions with an impeccable safety record since 2018. We pride ourselves on delivering rigorously tested battery systems and in-house PCS, ensuring proven integration with over 20 battery brands.

What is energy storage system?

All-in-one, high-performance energy storage system for various industrial and commercial applications. Highly suitable for all kinds of outdoor applications such as EV charging stations, industrial parks, commercial areas, housing communities, micro-grids, solar farms, and more.

Our full line of enclosures includes concrete, steel, and purpose-built ISO type container options in a wide range of sizes and storage capabilities. Explore our prefabricated enclosures and inquire about customization capabilities to find ...
