

# Home use 2 kilowatt solar power generation

If you're considering solar panels for your home, ... A Powerwall 2 with a stated capacity of 13.5 kWh and a cost of say \$12000 installed compared to a Sonnen 6kwh with a installed cost of \$12000 it's a no brainer whatever ...

These tools are great for getting started, but make sure to work with a solar installer for a custom estimate of how much power your solar energy system is likely to generate. For its analyses, NREL uses an average system size of ...
