

How many years does Chint photovoltaic panel warranty last

How long is a solar panel warranty?

Solar panel warranties vary depending on the manufacturer, but in the solar industry, a 10-year product warranty and a 25-year performance warranty are typically considered the minimum standard. However, some manufacturers provide a 25-year product warranty and extend the performance warranty to 30 years. How Much Does a Solar Panel Warranty Cost?

What makes a good solar panel performance warranty?

An ideal solar panel performance warranty should include the following conditions: Certain solar manufacturers may even guarantee a degradation rate as low as 0.25% per year, coupled with a performance warranty period of up to 30 years.

How much does a solar warranty cost?

If you'd like to buy coverage for a longer period than the standard 20 to 25 years, you can consider an extended warranty for your solar panels. This additional warranty typically adds \$350 to \$500 to the cost of your system for an extra 5 to 15 years of coverage, according to SaveonEnergy.

What are the different types of solar warranties?

There are three different kinds of solar warranties you'll want to be on the look out for: product, performance and labor warranties. If you're buying a solar panel system, the ideal warranty package should contain all three. Let's take a deep dive into what each type of warranty covers.

How long do solar panels last?

Most reputable manufacturers offer production warranties for 25 years or more. The average break even point for solar panel energy savings occurs six to 10 years after installation. If the panels continue to produce at a high level for another 15 years after that, you will end up saving thousands of dollars during the solar panels' lifespan.

How long does a central inverter last?

Central inverters are typically covered for up to 10 years. Product warranties are offered by the company that produces the solar panels, not the installer. And if you plan to get a solar battery with your solar panel system, the battery is covered under a different warranty. The average battery warranty is 10 years.
