

How to write photovoltaic bracket sales in English

What should a solar sales pitch look like?

For example, if your solar customer is more interested in the savings benefits of going solar (as many are) than the environmental benefits, be sure to focus your solar sales pitch around how much the customer will save and the long-term financial benefits of going solar with your company.

Why are solar sales pitches so boring?

Hopefully, the answer is because your company offers some kind of unique value, such as: Take a moment to think about your company and the ways in which it outperforms the competition. Then use these things in your solar sales pitch. We're just going to say it: most solar sales pitch scripts are boring. Why?

How do you convince prospects to buy solar panels?

Because of these things, many of your prospects will be hesitant to buy solar panels. One of the best ways to earn their trust and close deals is to highlight other people who have already made the switch to solar and loved the experience. In other words, tell prospects about your happiest customers.
