

Longi 455 photovoltaic panel

What is a Longi 455w 72 cell solar panel?

The Longi 455W 72 CELL Solar Panel offers excellent performance with up to 20.9% efficiency. Ideal for residential applications, Longi solar panels also feature lower resistive loss with lower operating current, higher energy yields and lower operating temperature.

How many amps does a Longi 455 watt solar panel have?

Series Fuse Rating: 20 Amp The Longi 455W 72 CELL Solar Panel offers an excellent 20.9% maximum efficiency. Ideal for residential applications in colder climates. 25 year warranty.

What is Longi high-efficiency solar module?

LONGi High-efficiency solar Module, widely adopting PERC solar cells technology, Half-cut Module Technology and Bifacial PV technology, Mono Silicon Crystalline Technology has become a leading manufacturer and brand in the export and installation of monocrystalline silicon solar photovoltaic module.

It is a new generation of high-efficiency cell technology featuring no grid lines on the front side of the cell. This technology enhances the cell's light absorption and photovoltaic conversion capabilities through adjustments to the internal ...

Monokrystalická panel Longi Solar s technologií Half-Cut. Díky této technologii panely dodávají energii neustále, i když je panel zastíněn na 50%. Panel má celkem 144 Half-Cut buněk. ...
