Are free solar panels a scam?

Know that "free" or "no cost" solar panel offers are scams. The federal government does not install solar systems in homes for free. If you're considering whether solar energy is right for you, check out the Department of Energy's guide for homeowners and learn more. Or check out the Department of Treasury's guidance on clean energy.

Are solar leases and PPAs a scam?

No, not all leases and PPAs are scams. However, they seem to be a breeding ground for deceptive and predatory practices, including the old "government is paying people to go solar" scam. Related reading: [Solar Leases vs. Solar Loans vs. Solar PPAs](#)

How do I file a complaint against a solar panel company?

Check your state's DOJ website for information on filing a lawsuit or settling a complaint in small claims court. With this, you have learned that filing complaints against solar panel companies involved in solar scams is quite simple. Let's finally read about some cases of solar panel scams in Florida and California.

Are you getting ripped off when buying solar panels?

Solar is expensive, no matter how you shake it. And savings sound nice, but if you get stuck with an overpriced solar panel system that's underperforming, you're going to save much less. That's why we put together these tips to avoid getting ripped off when buying solar panels -- backed by expert advice.
