

Photovoltaic panel sales tax

Are solar panels exempt from sales tax?

Many states have either a solar or wind exemption, which provides that equipment used for electricity generation by either solar or wind be exempt from sales tax. Florida, for example, provides an exemption for solar energy systems, and New York provides a specific sales and use tax exemption for solar modules and panels.

Are solar panels a tax credit?

This federal tax credit isn't new, but it was modified and extended by 2022's Inflation Reduction Act, bumping up its value to 30% of the cost of qualified improvements. If you're considering adding rooftop solar panels to your home, here are the details on how to claim this tax credit. [What Is the Tax Credit for Solar Panels?](#)

Are solar panels tax deductible?

This tax exemption allows homeowners and businesses to exclude the total cost of a solar project (including installation) for tax benefits. This exemption allows taxpayers to install solar panels on either commercial or residential property. At the time of writing this article, 36 U.S. states provide property tax exemptions for solar panels.

Which states do not charge sales tax on solar panels?

Five states -- Alaska, Delaware, Montana, New Hampshire and Oregon -- don't charge any sales tax for any purchases. Similar to property tax exemptions, many states will require an application for the sales tax exemption on solar equipment. [Which states exempt solar panels from property taxes and sales taxes?](#)

Are electricity sales taxable?

The two largest revenue streams from producing electricity through renewable sources are electricity sales and renewable energy certificates (REC). The sale of electricity is typically taxable except in states with exemptions. An exemption taxpayers should examine is whether electricity is at retail or for resale.

The installation of the system must be complete during the tax year. Solar PV systems installed in 2020 and 2021 are eligible for a 26% tax credit. In August 2022, Congress passed an extension of the ITC, raising it to 30% for the ...
