

Sanjing Photovoltaic Inverter Parameter Settings

Can a saj inverter be operated with a PV generator?

⋮;The SAJ inverter must only be operated with PV generator. Do not connect any other source of energy to the SAJ inverter. Page 7 H2 Series 2.2 Explanations of Symbols Symbol Description Dangerous electrical voltage This device is directly connected to public grid,thus all work to the battery shall only be carried out by qualified personnel.

Is Saj responsible if a solar inverter is lost?

SAJ is not responsible for the loss and these warranty claims. The SAJ inverter must only be operated with PV generator. Do not connect any other source of energy to the SAJ inverter. properties and persons. The solar inverter will become hot during operation.

Can a saj inverter be wet?

Do not touch the surface of the inverter while the housing is wet, otherwise, this may cause electrical shock. Before opening the housing, the SAJ inverter must be disconnected from the grid and PV generator; you must wait for at least five minutes to let the energy storage capacitors completely discharged after disconnecting from power source.

Can the inverter be used with a functionally earthed PV array?

The inverter cannot be used with functionally earthed PV arrays. A positive connector and a negative connector are provided in the accessory bag. The PV array is properly insulated to ground before it is connected to the inverter. Select cables according to the below specification. For details, refer to the inverter user manual.

What happens if a saj inverter is unauthorized?

Any unauthorized actions including modification of product functionality of any form may cause lethal hazard to the operator, third parties, the units, or their property. SAJ is not responsible for the loss and these warranty claims. The SAJ inverter must only be operated with PV generator.

How many cartons of SAJ inverter can be stored in one stack?

Be careful with the product transportation and storage. Keep no less than 6 cartons of the inverter in one stack.
