

Seamless photovoltaic panel waterproofing

What is a standing seam roof with bonded solar panel?

This standing seam roof with bonded solar panel delivers an efficient and effective roofing system that performs just as well as it looks. Unlike traditional mounted solar PV systems, Catnic SolarSeam is bonded to the roof panel, offsite, creating a low-profile and seamless finish that's guaranteed to produce energy for 25 years.

Are solar shingles waterproof?

These shingles are water-shedding, strong and warranted to withstand winds up to 130 mph. Rack-mounted solar installations--where the solar is separate from the roof--require the drilling of dozens of holes into the roof membrane. Any resulting damage related to those holes is not typically covered by roof warranties.

What is a lightweight solar roof?

Lightweight solar roof offering savings on carbon footprint, materials, installation, and maintenance in comparison with standard crystalline panels. No need for south facing installations or additional wind load calculations as there is no frame, the laminate is bonded directly to the roof panel profile

Is Timberline solar a good roof?

For homeowners who already know the quality of GAF roofing products, the Timberline Solar(TM) roof has the same wind and water-shedding warranty coverage as Timberline HDZ. Investing in a home is no small matter - and the way it looks is important.

Are GB-Sol solar panels fire rated?

Global solar and construction accreditation bodies are used to test and certify our solar panels and mounting systems. In independent fire tests, GB-Sol's Infinity and Integrated solar roofs achieved EXT.S.AA, the highest possible rating under BS 476-3: 2004 - Roof Fire Test. Testing also confirmed passes for the CEN/TS1187:2012 Test4.

Why should you choose a GAF energy solar roof?

Here at GAF Energy, we strive to not just meet homeowners expectations for roofing reliability, but to achieve breakthroughs with aesthetics. With a GAF Energy solar roof, you'll not only get a roof that's durable and has curb appeal, it's also financially smart, since you can save on your energy bills over time.

Complete solar roof from edge to edge, fully waterproof. Roof windows can be included. Hundreds of installations across the UK, going back to 1995. Can be produced to the exact dimensions of the roof including triangular solar panels ...
