What are patio enclosures, EasyRoom, sunroom & screen room KITS?

Patio Enclosures, EasyRoom, sunroom and screen room kits are a great way for experienced do-it-yourselfers to install room additions themselves while still receiving the quality and craftsmanship that our brand offers. EasyRoom kits offer various options including room size, style of roof, type of glass and frame color.

What are the benefits of having a sunroom?

A sunroom, also known as a sunspace, is a productive living area in your home with various benefits. In spring and summer, it provides a relaxing living space. In winter, it's an excellent place to grow food plants. Additionally, it can help heat your home.

Can a sunroom function as a greenhouse?

Follow these principles when building a sunroom addition and you can get the triple benefits of a cozy living space, free solar heat, and a super greenhouse for plants.

Harnessing the power of the sun for your sunroom can be an innovative and eco-friendly way to optimize its utility. As you contemplate solar sunroom roof ideas, consider integrating photovoltaic panels into your design. These panels ...
