

The design of a storage cabinet that can be used as a bar

What are modern bar cabinets?

Modern bar cabinets are designed for home use and provide storage for wine bottles, glasses, cocktail shakers, and whiskey rocks. They can be placed in your downstairs home bar, luxury loft, or modern living room. To save space, consider tall corner styles, narrow bars, or bar cabinets with clever layouts.

Where can bar cabinets be placed?

Bar cabinets can be placed in your downstairs home bar, luxury loft, or modern living room. To save space, consider tall corner styles, narrow bars, or bar cabinets with clever layouts. Choose from our list of classy modern bar cabinet designs for your home.

Are bar cabinets a good idea?

Whether you're a wino, cocktail connoisseur, or mocktologist (Dry January and beyond), bar cabinets set the foundation for a perfect at-home entertaining moment while maximizing storage space. You can safely stash bottles and glassware inside for a more streamlined aesthetic, and allow the piece itself to shine.

Do home bar cabinets double as entertaining pieces?

In addition to providing storage, home bar cabinets can also double as entertaining pieces. Our team spoke to the experts behind the bar, and those who design them, to learn what the most important features to consider are when at-home bar cabinet shopping, plus the design trends and best home bar cabinet picks for 2024.

What is a good bar cabinet?

1. Borman 2-Door Bar Cabinet With Wine Storage This tall bar cabinet is the perfect match for modern bohemian or global-inspired interior design. The double doors are carved with a geometric checkerboard pattern and open to reveal four shelves, complete with a stemware rack, honeycomb-shaped wine rack, and storage drawer.

Are bar cabinets a statement piece?

"Bar cabinets can be more of a statement piece, since they serve a special purpose in your home," Havenly designer Kelsey Fischer explains. "Go for added texture, pops of color, or a unique shape or finish for a truly swoon-worthy look." Ahead, shop our favorite modern bar cabinets for all your home hosting and toasting. Cin, cin! 1.
