

The most reliable photovoltaic bracket factory

Why should you choose a solar PV mounting supplier?

As a solar PV mounting supplier, we provide you with high-quality solar panel ground mounting systems, including solid brackets and support structures so that you can install solar panels on the ground for reliable solar power generation.

Can Versol mount a photovoltaic power station?

Versol's V-Basic mounting system can be applied to photovoltaic power stations in different terrain and environment. The product range includes a wide range of models and styles, and is highly adaptable.

Is Hydrelia a good alternative to ground-mounted solar?

It's a simple, affordable alternative to ground-mounted solar. Hydrelia is especially suitable for energy and water-intensive industries that can't afford to lose land or water. The TITAN DUO 4R is designed for large-format modules in regions with extreme weather conditions.

Which roof racking system is best?

Using patented counterbalance technology, Z-Rack is the most universal sloped roof racking solution available. Allowing systems to lay flush on any roof type, Z-Rack requires no penetrations for installation and shaves install time down for projects of any scale. The SMR System is the best-value pitched roof mounting system on the market.

What is the best roof mounting system?

The SMR System is the best-value pitched roof mounting system on the market. Optimized design makes the SMR Rails not only the lightest but also the strongest rails on the market. One-tool assembly and Pop-On technology allow for a fast and worry-free installation. The Roof Versatile system is engineered to function on any roof material or pitch.

Do you have a certification for 500KW PV modules?

We have passed ISO9001. Some products have been certified by CE, FDA, UL, etc. We have many testing reports for different products. 500KW PV modules to replace traditional energy, reduce costs, lower carbon emissions, and promote sustainable development in Brazil.

Our company is located in the state-level development zone, beside the beautiful Taihu Lake. The factory is divided into extrusion aluminum manufacturing and photovoltaic bracket, solar energy frame finishing products. Three factories ...
